

# THEORETICAL ARCHAEOLOGY GROUP

## ANNUAL CONFERENCE 1997

16<sup>th</sup> - 18<sup>th</sup> December

**Bournemouth University**

### PROGRAMME

This programme was compiled about a week before the start of the conference; it is as complete as possible, although inevitably there will be some last-minute changes to the list of speakers and the order of presentations. Please see the noticeboards in the conference reception area or the session programmes posted outside the lecture theatres for any recent changes. Where possible, detailed timings for individual papers will be posted outside the lecture theatres before the session starts.

The main sessions will take place in Poole House Lecture Theatres A, B, C, and D and Weymouth House Lecture Theatres A and B. Fringe meetings and committee meetings will be in seminar rooms in Weymouth House.

When entering or leaving lecture theatres during sessions please use the rear doors where these are available (they will be marked).

Please do not take food or drinks into the lecture theatres.

Please see the printed abstracts for information about the address and institutional affinity of speakers.

Tea and Coffee will be served in the refectory. Coffee breaks and tea breaks have been staggered in order to smooth the flow of people being served.

Lunch, also served in the refectory, is more difficult as time is relatively short. Please be patient when waiting for your lunch; if all the tables become fully occupied the catering staff will stop serving until places become available. Dylan's bar will be open at lunchtime.

The cafe opposite Dillons Bookshop will be open all day for 'pay as you go' refreshments and snacks. The Union shop will be open (hours as posted).
